Like the fact that you can't change your name when your in a group with a lot of people and it makes me very mad when I can't change it because I feel like I am stuck with the name that I have. This also happens when one of my friends gets on my head and they change their name to a bad word which makes me really mad because if someone else was in the group with us then they would be able to see that bad word in big letters. It also makes me mad for a different reason because I really like my name. Anyway, I hope these bugs get fixed in ROBLOX or the next update of ROBLOX.
