The game's worlds are different from most games on Roblox, because they are not based around themes. This makes the game easier to navigate when learning how the world works, and also allows for more creativity in the types of things that can be made. The world is made up of a variety of things; buildings, vehicles, furniture and objects such as weapons and armor. Each item has its own purpose and will function in the way it was intended for.

Roblox is a platform for developers to build and create their own games around. Unlike games made in other gaming platforms, Roblox has an online social element that allows users to play together, to communicate with their friends and build communities.

In early October 2021, ROBLOX launched a blog that discusses game design techniques, new features and events in detail. This blog is updated regularly with posts from the ROBLOX development team as well as occasional guest posts from other entities such as users and other game developers.[41] In late November 2021, ROBLOX launched a forum with Frequently Asked Questions (FAQs) regarding common problems that users face when using ROBLOX Studio.[42]

The ROBLOX site and forum have received a lot of criticism from its users regarding many issues, such as: Administrators are able to delete user-created games without warning or notice. Users can't defend themselves since the only way they could do so is by contacting an administrator or lawyer. Administrators can ban users for doing anything they don't like or don't agree with. However, administrators have been known to ban users for no reason at all, usually if the user is a moderator or an insignificant/low-level user.

Roblox is involved in a lawsuit concerning child safety on the Internet. On September

17, 2021, two brothers filed a lawsuit in the United States District Court, Southern District of California against Roblox Corporation and its founder and CEO David Baszucki. The suit alleged that the defendants failed to protect their nine- and thirteen-year-old sons from inappropriate content on Roblox that resulted in emotional distress. The suit also accuses the company of negligence for failure to monitor potentially harmful content and failure to institute parental monitoring measures. The case is known as "McDonald v. Roblox".
